Kaipatiki Project, is the Environment Centre of the North Shore, and Okahu Rakau, is Ngati Whatua's Native Bush Care & Nursery at Orakei.

Together we are offering FREE hands-on training at a series of community planting days across three cities; Auckland, North Shore & Waitakere.

FREE TRAINING

We have organised 10 planting days, starting on Saturday 29 May. All take place on Saturdays from 8.00am to 2.00pm.

Some dates will require compulsory attendance whilst others are optional.

Participants will gain skills in:

- Promotion
- Health & Safety
- Site Preparation
- Hosting
- Native plant identification
